

# ZOAN

## Turku Castle Projection

VIDEO DEVELOPMENT FOR AN ART  
EXPERIENCE PROJECTED ON THE WALLS  
OF THE TURKU CASTLE

**OFFER**

AUGUST 2022

## Sub Turku 1827

### Scope

An video art experience remaining the fate of Turku in the year 1827 where, instead of being destroyed by a great fire, was submerged by water.

The experience invites the public to reflect of the city relation with the sea and bring an environmental reflection by swapping a well known man-made disaster by a possible contemporaneous one.

### Deadline

DECEMBER 2022

Illustrative image not related to the original project
