Door opening time: 19:45 Showtime / performance starting time: 20:00

Printout tickets (PDF tickets purchased via the Lippupiste online shop and printed out by the consumer)

Use Do not use

We recommend using an access control system if printout tickets are used and the seats are unnumbered (to prevent misuse). Lippupiste Oy rents out barcode readers for short-term use with a separate agreement. The event organiser is in charge of access control.

Presentation, performers, etc. to be added to the online shop (in this field or in a separate appendix):

Images and text regarding to the event can be added to the Lippupiste online shop: Main image (222x222 px), list image (60x60 px) and poster image (142x180 px), max 20 kb). A more impressive event image may also be added to the page (984x333 px). The images must be in JPG format. Send the images and texts via e-mail to kumppanituki@lippu.fi. Lippupiste has the right to use the images in its media.

Lippupiste also reserves the right to use the provided visual material to prepare a FanTicket and publish it after the organiser has approved it without delay.
